## Song Time!

Below are four songs. Each song utilizes a different grammatical device (prepositional phrase, gerund, infinitive phrase, and participle phrases). As you are listening to the song, try and mark as many of the above as you possibly can! Good luck, and, remember, not every word ending in -ing is a participle or gerund! Verbs still exist!

## The A Team

Ed Sheeran

White lips, pale face  
Breathing in snowflakes  
Burnt lungs, sour taste  
Light's gone, day's end  
Struggling to pay rent  
Long nights, strange men

And they say  
She's in the Class A Team  
Stuck in her daydream  
Been this way since eighteen  
But lately her face seems  
Slowly sinking, wasting  
Crumbling like pastries  
And they scream  
The worst things in life come free to us

(For this one, the subject is implied! The first three lines are describing someone....)

# Can't Help Falling in Love

Elvis Presley

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay  
Would it be a sin  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
Some things are meant to be  
Take my hand, take my whole life too  
For I can't help falling in love with you  
For I can't help falling in love with you

# Payphone

Maroon 5

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone, baby it's all wrong  
Where are the plans we made for two

Yeah, I, I know it's hard to remember  
The people we used to be  
It's even harder to picture  
That you're not here next to me

You say it's too late to make it  
But is it too late to try  
And in our time that you wasted  
All of our bridges burned down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone, baby it's all wrong  
Where are the plans we made for two

# Amarillo by Morning

George Strait

Amarillo by mornin'  
Up from San Antone  
Everything that I got  
Is just what I've got on

When that sun is high in that Texas sky  
I'll be buckin' at the county fair  
Amarillo by mornin'  
Amarillo, I'll be there

They took my saddle in Houston  
Broke my leg in Santa Fe  
I lost my wife and a girlfriend  
Somewhere along the way

But I'll be lookin' for 8 when they pull that gate  
And I hope that judge ain't blind  
Amarillo by mornin'  
Amarillo's on my mind

2. At the bottom of pg 314, Morrel remembers something COMC had said to him. What is the significance of this line?
3. On page 316, Morrel says that he thought COMC could help him where God alone could. Why does Dumas keep making divine references when speaking about COMC?
4. What does COMC's response to the bad fortune in the Villefort house tell you about his possible engagement in the affair?
